SODEXO ENGAGED SIMPLY DRIVEN TO FIND AN EXECUTIVE VICE PRESIDENT OF HUMAN RESOURCES.

The ideal candidate needed experience in managing large-scale HR operations and a strong understanding of **university campus liaison work**. Additionally, they required someone who had successfully led an HR business partner **team of 50+** and had the ability to oversee **130,000 employees**.

Simply Driven conducted a rigorous search and presented a candidate who not only met these requirements but was also deemed a future successor to the company's **Chief Human Resources Officer**. The client has now positioned this individual to step into the CHRO role within the next 24 months. The efficient search ensured that Sodexo could move forward with their talent strategy seamlessly and while building long-term leadership stability.

RAPID ACCESS TO THE RIGHT TALENT IS A COMPETITIVE ADVANTAGE.
